

IN THE UNITED STATES DISTRICT COURT
SOUTHERN DISTRICT OF CALIFORNIA

Objector.

Objector Padraigin Browne, by and through her undersigned counsel, Paul R. Hansmeier, hereby gives Notice of Filing of a true and correct copy of the “FAQ” page on the Groupon.com website as it appeared to the public on September 11, 2012, as Exhibit A. This Notice of Filing is supported by the attached Declaration of Paul R. Hansmeier.

At the Fairness Hearing on September 7, 2012, Class Counsel represented that the Settlement Vouchers, and the related First Settlement Fund, would benefit the settlement class members by guaranteeing that class members could receive value equivalent to the amount paid for their Groupon Vouchers after the promotional value had expired, where no such guarantee would otherwise exist.

1 For this reason, the true and correct copy attached here as Exhibit A is relevant to the matter
2 currently under consideration by the Court.

4 Respectfully Submitted,

5 **DATED: September 11, 2012**
